Dear Friends:

Thank you for your donation to USO.

Your contribution is truly appreciated by USO and those we serve, the courageous and loyal men and women of our Country's Armed Forces. Your generosity helps us provide services and programs at our USO operations in Georgia as well as to the troops who deploy for duty around the globe.

As our Country continues in the "war against terrorism" more and more men and women will be called upon for duty, and USO will be called upon for service to them.

Through the efforts of USO representing "hometown America," our military men and women will continue to receive USO Care Packages, phone cards, CD's, as well as food and refreshments, at our USO Airport operations and deployment sites. This is possible only through donations such as yours.

On behalf of the hundreds of thousands of individuals served annually, we thank you for your donation, and more importantly for contributing to the morale and welfare of the troops through USO.

Sincerely,

Mary Louise Austin
President and CPO
